MEMBER HOME LOAN WELCOMES GATEWAY METRO FCU AND MIDWEST CU

Houston, TX | January 23, 2015: Member Home Loan (MHL) announced the addition of Gateway Metro FCU and Midwest CU to the MHL Loan CUSO family of credit unions. The addition of these two credit unions expands MHL's footprint in the Missouri market and strengthens its regional offering of mortgage lending services to credit unions.

Both credit unions are well established and each has been in business for more than 79 years. Gateway Metro FCU currently serves more than 15,000 members through their 10 locations. Midwest CU operates in Missouri.

"We are very excited to have these two institutions join the MHL Family. We are happy to serve their members and provide them with the expertise on the mortgage products we offer, and the exceptional customer service MHL is known for." – Chris Sizemore, Executive Vice President, said.

Member Home Loan, LLC is a Credit Union Service Organization (CUSO) owned by Credit Unions to originate, process, underwrite, close, fund and service mortgage loans for Credit Union members.
